

TOWN OF SARATOGA

WOOD COUNTY, WISCONSIN

Occupying Recreational Vehicle

Residents desiring to park a recreational vehicle on their premises in excess of 5 days for the purpose of occupying shall first obtain such permission from the licensing authority. Such authority, after consideration of sanitation facilities, may, at the licensing authority's discretion, issue a special permit not to exceed 90 days. Street parking of recreational vehicles is limited to 5 hours.

I _____ would like to reside in a recreational vehicle for a period
of _____ (Please print)
_____ days.

I understand that all grey water & black water (sewer) is to be removed and disposed of properly.

If I am found improperly disposing of grey water or black water, this permit may be revoked immediately. Improper disposal would be referred to the Wisconsin DNR for further action.
