The Saratoga Town Board met at 6:00 pm in the Town Office. Chairman Rickaby called the meeting to order. All members were present. The meeting was officially noticed on January 31st, 2022.

The Board discussed the part-time Zoning Administrator position with Rose Schultz, Lucas Greenaway, and Raymond Bossert. Since the Zoning Administrator would be a contracted position and not a Town employee, the person hired would need to supply the Town with proof of Insurance. Raymond submitted his proposed contract fees. Rose and Lucas will submit their proposed contract amount to the Town. The Board will meet on February 16th to discuss the positions and contract amounts and take possible action for contracting with a part-time Zoning Administrator.

McDonald made a motion to adjourn. Leichtnam seconded it. Motion passed unanimously. Meeting adjourned at 9:02 p.m.
